Please describe your issue, include location details, and any relevant information regarding your issue. : We have lived in Choctaw almost 40 years and during that entire time, I can not remember a time when we have had such outstanding trash service. The company who formerly had the contract was hit or miss, especially with the holidays. The current company is so prompt you can almost set your clock to them. Please relay my thanks to them and I hope the City of Choctaw will remember this email when it comes time for contract negotiations.

Address or Location of Issue: 599 Oak Park DR

Department: Utility Billing/Trash Service
