To whom it may concern,

Waste Connections has contracted with the Town of Cashion for several years. During these years as any problem arose, as they do during any change, they were addressed and corrected immediately

The drivers are attentive and go out of their way to assist the house side pickups and any other special circumstances or events .

Mr. Michael represents Waste Connections humbly yet with pride in the ability to provide the utmost professionalism and superior customer service.

I highly recommend Waste Connections to any municipality. Please contact me at the number above with any questions that you may have.

Sincerely

Jana Mayes
PWA Clerk
