To Whom It May Concern:

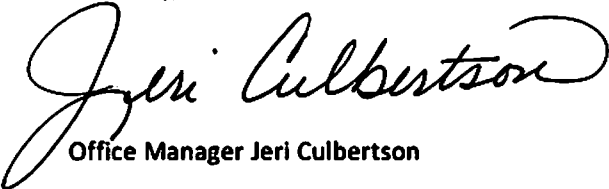

I am writing this letter to show our town's satisfaction with our current trash removal company, Waste Connections of Oklahoma.

Their employees are very professional and friendly to work with. They go that extra mile to make sure all our trash removal needs are taken care of.

If you have any problems during the transitional period from another trash company, Waste Connections steps up and takes care of everything. Including work orders that the former trash company should have taken care of. So no need to stress during this time cause Waste Connections will handle it all for you.

Our town enjoys having a business relationship with Waste Connections.

Sincerely,

Office Manager Jeri Culbertson
